Exhibitor must obtain all local and state/province permissions to sell and is required to submit appropriate documentation of these permissions to ACM/CHI2004 Exhibits Manager. Exhibitor is required to comply with all local and state business laws and is responsible for any and all tax, license, and other financial liabilities related to selling on the exhibit floor.

Full payment of the exhibit rental fee must accompany the Application/Contract. Exhibitors submitting written requests for cancellation of booth space prior to 20 February 2004 will receive a refund of 50% of the total contract fee. No refunds will be made for cancellation requests received after this date.

3. Indemnity and Limitation of Liability
Neither ACM/CHI2004 nor the host hotel/convention facility (hereinafter Exhibit Building), nor any of its officers, agents, employees, or other representatives shall be held liable for, and they are hereby released from, liability for any damage, loss, harm, or injury to the person or property of the Exhibitor or any of its visitors, officers, agents, employees, or other representatives, resulting from theft, fire, water, or accident or any other cause. The Exhibitor shall indemnify, defend, and protect ACM/CHI2004 and the Exhibit Building and save ACM/CHI2004 and the Exhibit Building harmless from any and all claims, demands, suits, liability, damages, loss, costs, attorneys’ fees and expenses of any kind which might result from or arise out of any action or failure to act on the part of the Exhibitor or its officers, agents, employees or other representatives. It is the responsibility of the Exhibitor to maintain proper insurance coverage for its property and liability.

4. Assignment of Exhibit Space
ACM/CHI2004 shall assign booth space to the Exhibitor for the period of the Exhibit (provided the Exhibit Building is made available to ACM/CHI2004) in priority order based on receipt of a completed, signed Application/Contract accompanied by payment. Such assignment is made for the period of this Exhibit only and does not imply that the same or similar space be held or offered for future exhibits. Every effort will be made to respect the Exhibitor’s booth preferences whenever possible, but ACM/CHI2004’s decision will be final. ACM/CHI2004, in its sole discretion, reserves the right to make changes in booth assignments that it deems are in the overall best interest of the exhibit program. ACM reserves the right to withdraw its acceptance of this Application/Contract if it determines in its sole discretion that the Exhibitor is not eligible to participate or the Exhibitor’s products or services are not eligible to be displayed in this Exhibit.

5. Use of Exhibit Space
Exhibitor shall not assign to a third party its right hereunder to the Exhibit Space or any portion thereof without the prior written consent of ACM/CHI2004, which it may withhold at its sole discretion. If such consent is given, the Exhibitor shall assume full responsibility for the conduct of the assignee and all its representatives, and the Exhibitor shall not charge its assignee more than a proportionate share of the exhibit fee based upon the amount of Exhibit Space assigned.

6. Exhibit Hours
ACM/CHI2004 will establish exhibit hours and reserves the right to make changes. However, such changes will be made as far in advance of the exhibition as possible. Exhibitors are required to keep booths staffed by at least one attendant during all exhibit hours; failure to do so may result in removal of the Exhibit from the show at the Exhibitor’s expense. Exhibitors are required to be fully set up one hour prior to the start of the exhibit program and cannot dismantle until after the close of the exhibit program.

7. Displays and Decorations
Merchandise, signs, decorations, or display fixtures shall not be posted, taped, nailed, or tacked to walls. No exhibit, merchandise, or equipment shall be left in any aisle, but shall be confined to Exhibit space. No signs or advertising devices shall be displayed outside Exhibit space or projecting beyond limits of Exhibit space as to interfere with any neighboring Exhibit. Exhibits should not project beyond the space allotted or obstruct the view or interfere with traffic to other exhibits. The wings of an Exhibit should not project more than 3 feet from the back wall and may not be more than 48 inches high.

8. Union Labor
Exhibitor must comply with all union regulations applicable to installation, dismantling, and display of the Exhibits.

9. Booth/Stand Set Up Guidelines
During the set up and the dismantling and removal of the stands, particular protective measures shall be taken or particular care shall be exercised in the passageways and accesses of the exhibition premises in order to avoid damage to the floors. The floor in the exhibition area is made of granite and the floor carrying capacity is 500 kg per m². The transport weight of individual loads, equally divided on 4 wheels, shall not exceed 2500 kg. If the exhibited articles exert a greater load on the floor, the exhibitor shall install a load distribution device, the type and size of which to be determined in agreement with Exhibition Management. If, in individual cases, retaining the services of a structural engineer is required, costs of such engineer shall be borne by the Exhibitor.

The general overall instruction height in the halls is 2.5 m. If the normal height of 2.5 m is exceeded, the written approval of Exhibition Management shall be obtained.

10. Installation of Electricity
The exhibition area is equipped with three-phase current 3 x 380/220 volts and alternating current of 220 volts, frequency 50 cycles, grounding provided. Exhibition Management and the Austria Center Vienna shall not be liable for loss and damage arising as a result of technical defects, malfunctions, or breakdowns. The supply lines from the existing connection points to the exhibition stands may be executed by contract companies of Exhibition Management only. Self-installation work of this kind shall not be permitted under any circumstances.

11. Fire Regulations
Exhibitor shall not pack merchandise in paper, straw, excelsior or any other readily inflammable materials. All cartons stored in the Exhibit Building shall be emptied of contents. Exhibitor shall have on hand in its Exhibit space a notarized affidavit establishing that its exhibit is not readily inflammable. All wiring devices and sockets shall be in good condition and meet the requirements of local law.

12. Booth and Equipment Services
Space rental includes those terms listed in this Exhibitor Invitation.

13. Storage and Packing Services
Exhibitor shall not be permitted to store packing crates and boxes in the booth or the Exhibit Hall during Exhibits, but these, when properly marked, will be returned to the booth by service contractors. See the Exhibitor Invitation section entitled “Storage of Empty Packing” for details. It is the Exhibitor’s responsibility to mark and identify all crates and boxes. Crates and boxes not properly labeled may be destroyed. No trunks, cases, or packing material shall be brought into or out of the Exhibit space during exhibit hours.
14. Contractor Services and Information
ACM/CHI2004 has, in the best interest of the Exhibitor, selected certain firms to serve as the official contractors to provide necessary services to the Exhibitors. Complete information, instructions, and schedules of prices regarding drayage, labor for setup and dismantling, electrical work, furniture, special cleaning services, etc., will be included in the Service Kit to be forwarded after booth assignment has been confirmed. An Exhibitor Service Center will be maintained on the Exhibit Floor to facilitate service requirements from the Exhibitor. ACM/CHI2004 assumes no responsibility or liability for any of the services performed or materials delivered by the foregoing persons and parties.

15. Observance of Laws
Exhibitor shall abide by and observe all laws, rules, regulations, and ordinances of any applicable government authority and all rules of the Exhibit Building.

16. Insurance Information
ACM/CHI2004 will endeavor to assist in the protection of exhibitors by providing 24-hour guard service. However, due to the tremendous value of exhibits, it is impractical and impossible to insure Exhibitors’ equipment against loss, theft, damage, and breakage. Neither the Exhibit Building nor any of its employees nor representatives, nor any representative of ACM/CHI2004, nor any subcontractor will be responsible for any injury, loss, or damage to the Exhibitor, the Exhibitor’s employees, or property, however caused. In addition, the Exhibitor must assume responsibility for damage to the Exhibit Building property and indemnify and hold harmless the Exhibit Building from liability, which might ensue from any cause whatsoever, including accidents or injuries to Exhibitors, their guests, or employees. The Exhibitor must also assume responsibility for any accident, injury or property damage any person incurs while viewing his exhibit where such accident, injury, or property damage is caused by the negligence of the Exhibitor, agent, or employees. In view of the foregoing, Exhibitors are urged to place “extraterritorial” and other coverage on equipment and exhibits, and arrange for extended public liability insurance with their regular insurance carrier, particularly if they are conducting experiments or demonstrations using heat or high voltage. ACM/CHI2004 and the ACM/CHI2004 Exhibits Manager will cooperate fully but cannot assume responsibility for damage to Exhibitors’ property or lost shipments, either coming into or going out of the premises, or for moving costs. Any damage due to inadequately packed property is Exhibitor’s own responsibility. If Exhibit fails to arrive, Exhibitor will nevertheless be responsible for booth rent and no refund will be made. Exhibitors should carry insurance against such risks.

17. Hospitality Events
Hospitality space is available in the Austria Center Vienna. All hospitality functions are required to be registered with appropriate Exhibit Coordinator and cannot conflict with any of the conference tutorial sessions, plenary sessions, technical sessions, or general receptions. Please contact the appropriate CHI2004 Exhibit Coordinator for further information on reserving hospitality space.

18. Cancellation or Termination of Exhibit
If, because of war, fire, strike, Exhibit facility construction or renovation project, government regulation, public catastrophe, Act of God, public enemy, or other cause beyond the control of ACM/CHI2004, the Exhibition or any part thereof is prevented from being held, is canceled by ACM/CHI2004, or the Exhibit Space becomes unavailable, ACM/CHI2004, in its sole discretic, shall determine and refund to the Exhibitor its proportionate share of the balance of the aggregate exhibit fees received which remain after deducting expenses incurred by ACM/CHI2004 and reasonable compensation to ACM/CHI2004. In no case shall the amount of refund to Exhibitor exceed the amount of exhibit fee paid.

19. Exhibitor Cancellation
Cancellation of any portion of this Application/Contract by the Exhibitor will be accepted only at the discretion of ACM/CHI2004 and then only based upon the following refund policy. Prior to 20 February 2004, fifty percent (50%) of the total contract fee will be refunded. After 20 February 2004 no refunds will be given unless space is resold. If the space is resold, fifty percent (50%) of the total contract fee will be refunded. Except as the Exhibitor’s rental obligation may be reduced as set forth in the preceding sentence, the Exhibitor is responsible for total booth rental irrespective of the reason for the cancellation by Exhibitor or because of the failure of an Exhibit to arrive for any reason.

20. Exhibitor Conduct
Exhibitor and its representatives shall not congregate or solicit trade in the aisles. The prior written consent of ACM/CHI2004 is required for the employment or use of any live model, demonstrator, solicitor, or device for the mechanical reproduction of sound. Such employment or use shall be confined to Exhibit Space. ACM/CHI2004, in its sole and absolute discretion, may withdraw its consent at any time, in which event Exhibitor shall terminate such activity immediately. All promotional plans must be submitted to ACM for approval. Distribution of pamphlets, brochures, or any advertising matter must be confined to the Exhibit Space. Exhibitor is prohibited from bringing alcoholic beverages into the Exhibit Area. Exhibitor shall refrain from any action that will distract attendees from attendance at the Exhibit during open hours. Exhibitor shall not lead attendees from one Exhibit Space to another or to elevators or escalators. Exhibitor or any of its representatives shall not conduct itself in a manner offensive to standards of decency or good taste.

21. Photographs
No photographs shall be taken without prior consent of ACM/CHI2004 and the Exhibitors involved.

22. Registration Lists
ACM/CHI2004 will make registration lists in the form of one-time use postal labels available to Exhibitor 3 weeks prior to and/or 8 weeks after the conference if requested by the Exhibitor on the Application/Contract.
